

COMMUNITY OF INCLUSION: Sharing Positives

Social Inc. Conference 2016

Activities that worked well at bringing people & groups together

- Amazing Race - Work with others to follow the clues and win the race.
- Whole of school scissors, paper, rock competition.
- Quiz's, bingo, and trivia competitions
- Egyptian Mummy Race - wrap a friend in toilet paper as quick as you can!
- Cup cake decorating
- Pizza & games sessions - YUM!
- Social Inc. Camp - have fun and make new friends.
- Mix up classes - try new things - meet new people.
- Billeting with other schools - get to know what other schools are doing to promote inclusion, and make new friends!
- Social Inc. giant volleyball
- Anime drawing
- Whole school tug of war and other games
- Board games

Hopes for the Future

- That there will be a safe welcoming space, where all people (from any class, whether it be a support unit and/or mainstream) can go to hang out at lunch time
- 'Say Hi' to people, and hold a 'Say Hi' event at school.
- Talk to people in the playground. Respect and value them as individuals. Celebrate their diversity, and make meaningful connections.
- Play games with other classes from throughout the whole school.
- Mix classes together - different students in different classes.
- Have a project/creation that encourages students to work together, and develop new friendships.
